Welcome to the Arizona Chamber Foundation's website ("Website") and thank you for reviewing our Terms and Conditions of Use. The Arizona Chamber Foundation ("ACF") makes this Website, including all information, documents, communications, files, text, graphics, software, and audio/visual files (collectively, the "Materials") available for your use subject to the Terms and Conditions of Use set forth below. These Terms and Conditions spell out what you can expect from us and what we expect from you.

### 1. Acceptance of Terms and Conditions of Use

By accessing this Website, you agree to all terms, conditions and notices contained or referenced on the Website ("Terms and Conditions"). You also agree to be bound by all applicable laws and regulations, and agree that you are responsible for compliance with any applicable local laws. If you do not agree with any of these terms, you are prohibited from using or accessing this Website. The Materials contained in this Website are protected by applicable copyright and trademark law.

ACF reserves the right to change the Terms and Conditions at any time, without prior notice to any Website visitor. For this reason, we encourage you to review these Terms and Conditions whenever you use our Website. If you breach any of the Terms and Conditions, your authorization to use this Website automatically terminates.

### 2. Intellectual Property Rights

#### a. Copyright Information and Personal and Non-Commercial Use Limitation

All Materials and the compilation of content included on this Website are owned or licensed by the Arizona Chamber Foundation and are protected by United States and international copyright laws. Copyright © 2018 Arizona Chamber Foundation. All rights reserved. ACF does not claim ownership of copyrights owned by third parties.

#### b. Notice and Procedure for Making Claims under the Digital Millennium Copyright Act

The Digital Millennium Copyright Act (DMCA) provides recourse to copyright owners who believe their rights under the U.S. Copyright Act have been infringed by acts of third parties over the Internet. If you believe that your copyright work has been copied without your authorization and is available on this Website in a way that may constitute copyright infringement, you may provide notice of your claims to the Greater Phoenix Economic Council's designated agent listed below. For the notice to be effective, it must include the following information:

A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed;

A description of the copyrighted work that you claim has been infringed upon;

A description of where the material that you claim is infringing is located on this Website;

Information reasonably sufficient to permit the service provider to contact the complaining party, such as address, telephone number, and, if available, an e-mail address at which the complaining party may be contacted;

A statement by you that you have a good faith believe that the disputed use is not authorized by the copyright owner, its agent, or the law; and

A statement that the information in the notification is accurate and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

#### c. Trademarks

The Arizona Chamber Foundation owns trademark rights in its mark ARIZONA CHAMBER FOUNDATION and A FOR ARIZONA and the associated graphics, logos and service marks are trademarks of the ACF and may not be used without its prior written consent. All other trademarks, product names, and company names and logos appearing on the Website are the property of their respective owners.

#### d. Ideas and Inventions

All comments, feedback, suggestions, ideas, and other submissions (“Ideas”) disclosed, submitted, or offered to the ACF in connection with your use of this Website shall be the exclusive property of the ACF and its partner initiatives. You agree that unless otherwise prohibited by law, the ACF may use, sell, exploit and disclose the Ideas in any manner, without restriction and without compensation to you.

### **3. Use License**

a. Permission is granted to view and to temporarily download one copy of the Materials (information or software) on the Website for personal, non-commercial transitory use only. This is the grant of a license, not a transfer of title, and under this license you may not:

- i. sell, modify or copy the Materials;
- ii. use the Materials for any commercial purpose, or for any public display (commercial or non-commercial);
- iii. attempt to decompile or reverse engineer any software contained on the Website;
- iv. remove any copyright or other proprietary notations from the Materials; or
- v. transfer the Materials to another person or “mirror” the Materials on any other server.

This license shall automatically terminate if you violate any of these restrictions and may be terminated by the ACF at any time. Upon terminating your viewing of these Materials or upon the termination of this license, you must destroy any downloaded Materials in your possession whether in electronic or printed format.

### **4. Disclaimer of Warranties**

This Website and the Materials on this Website are provided on an “as is” and “as available” basis. To the fullest extent permissible by law, the ACF makes no warranties, expressed or implied, and hereby disclaims and negates all other warranties, including without limitation, implied warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement of intellectual property or other violation of rights. Further, the ACF does not warrant or make any representations concerning the accuracy, likely results, or reliability of the use of the Materials on the Website or otherwise relating to such Materials or on any sites linked to this site.

## **5. Limitations of Liabilities**

User expressly agrees that use of the Website, services, and Materials is at User's sole risk. The ACF does not guarantee the continuous, uninterrupted or secure access to the Website or any related services. Numerous factors outside the control of the ACF may interfere with the operation of the Website. In no event shall the ACF or any of its officers, directors, employees, agents, merchants, suppliers, sponsors, licensors, and/or any other third party who provides products or services purchased from or distributed by the ACF be liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption) arising out of the use or inability to use the Materials on the Website, even if the ACF or an ACF authorized representative has been notified orally or in writing of the possibility of such damage. Because some jurisdictions do not allow limitations on implied warranties, or limitations of liability for consequential or incidental damages, these limitations may not apply to you.

If you are dissatisfied with any portion of the Website, your sole and exclusive remedy is to discontinue your use of this Website.

## **6. Revisions and Errata**

The Materials appearing on the Website may include technical, typographical, or photographic errors. ACF does not warrant that any of the Materials on the Website are accurate, complete, or current. ## **7. Links**

ACF has not reviewed all of the sites linked to the Website and is not responsible for the contents of any such linked site. The inclusion of any link does not imply endorsement by the ACF of the site. Use of any such linked website is at the user's own risk. ACF makes no warranties or representations, and disclaims all liability, reliability, viewpoint, accuracy, currency, decency, or any other aspect of any linked website.
